“ My sympathy to Mike and Renee and Wendy and Dave and all the family of Bill.
My memories are of all the BS we shared at Crowder's Station.
Memories that I
will carry with me forever. He just simply was a good guy who seem to brighten
the day. I always liked it when I saw him drive up to the station because you knew
there was going to be double the laughter with him and Matt. Bless you all.

“ I certainly enjoyed "rattling" Bill's cage--and he in return, mine--when I visited Betty Bigalke. Bill was often there visiting Betty when I stopped by. Naturally, Betty had to serve coffee and cookies whenever I stopped by--and Bill was typically a willing recipient of these goodies along with me. Betty would often laugh as Bill and I tossed our "barbs" at one another during the visit. These would good times and missed by me after Betty died. I enjoyed Bill's company and his wit. I look forward to exchanging witticisms once again in heaven.

“ Always enjoyed my time out on the boat with Bill and my Dad (Joe) they would always kid each other/give each other a hard time about who was catching the most fish and how big they needed to be in order to keep those precious walleye. Always a smile on his face and I know he loved and cherished his family and friends. He lived life the way it should be lived and I am blessed to have been able to spend some time with him.

“ Our thoughts and prayers go out to all of Bill's Family. Bill was an amazing man and we are blessed to have gotten to know him over the past several years. He could make anyone smile even on the worst of days. He was so good to our 3 boys, especially our youngest Nicholas. The boys always looked forward to seeing him at Church. We loved him dearly and he will be sadly missed by many. He will be forever in our hearts. Rest in peace my dear friend!

Bill and my aunt Betty Bigalke were best of friends. I will always remember Bill's sense of humor. A funnier guy I have yet to meet. What a gain for heaven and loss for all of us.
