“ I have so many memories with you Amy, I was around your family for a long time. We were friends we sometimes were enemies but I have loved you all along. We had sooo much fun! We had times we laughed so hard we couldn't breathe, we had times we couldn't even face each other because we were so angry but I have loved you always and I always will! My heart hurts so bad right now. How do I ? Just how do I? Why did you leave us?

“ Ann, I'm so very sorry for your loss. I never knew Amy as an adult but I sure do remember her as a beautiful toddler. You were a great mom to her back then, Amy was such a happy little girl!

“ I will miss you Amy, but my heart goes out to your family! I'm sure grandma Liebersbach welcomed you with open arms. Who's going to tease me now about eating crackers in the shower? I was honored to have you as a niece and you stayed in my life always. I love you. Please rest well...and watch over your family as I am sure you are a sweet angel.
