Andrew is survived by his wife and loving caregiver, Evelyn; four sons Wayne (Anne) of Memphis, TN, Michael (Mary) of Memphis, TN, John (Eve) of Fairview Heights, IL, Thomas (Catherine) of Downers Grove, IL, and 4 grandchildren, Julia, Andrew, David, and Dylan.

He is preceded in death by his parents, five sisters, two brothers, and wife Virginia, mother of his four surviving sons.

Andrew was born on February 4, 1921, in Vermillion, MN, to Adeline (Schanno) and John Holzemer. He honorably served his country as Master Sergeant E8 in the Marine Corp, with 30 years of service spanning WWII, Korean Conflict, and Vietnam War. Andy was Flight Engineer as part of the first VX-6 Squadron, making several journeys to Antarctica's McMurdo Station starting in 1957. The family moved to Cove Bay in 1969 where he worked as a DNR Forester until his retirement in 1985.

Andy loved living on Mille Lacs Lake. He also enjoyed traveling, reading, bird watching, gardening, and was a life-time Yankees fan. He was well-known throughout the area for growing magnificent dahlias every summer. Handy and meticulous; he could fix about anything.

The family wishes to give a special thanks to the ambulance crew and hospital

staff at Mille Lacs Lake Health System for the wonderful care they provided.

“ *Dear Tom,*

So sorry to hear about your dad. I just read about his passing this morning as I am not in the area any longer.

It is hard to lose a father, and I wanted to let you know I am thinking of you, and all the cups of coffee I had with your dad in the cafe years ago.

Take care,
