“ I am so sorry that the world has lost such a special little person. I worked with Angela for over two years and got to know her very well. I loved her. I have so many great memories of her. One of my favorite memories is of when I taught her what lipstick was and she would draw pictures and write "lipstick" all over and "Genelle" on her artwork. Another favorite thing that I still copy to this day is "Gerlilla". That is how she said "Gorilla". I am so sorry for the family and have been thinking of you and praying for you often.##imported-begin##Genelle Jackson (Spitzengel)##imported-end##
