

Anthony Nolte

May 26, 1952 - November 28, 2009

Anthony was born on May 26, 1952 in Muncy, Indiana to Jerry & Norma Nolte. As a boy Tony was involved in Boy Scouts and played many sports. Tony also enjoyed riding his motorcycle, fishing, and hunting in his later years. He also loved to travel and spend time with his many family members. Tony was very close with all of his nieces and nephews that loved him so much. He moved to Minnesota several years ago and found that he loved living in the great state of Minnesota. Tony traveled the state a lot with his job with Al Winscher (Viking Flooring). He also enjoyed the great fishing that Minnesota had to offer. Tony took many fishing trips with his grandkids, friends (Donald & Bobby), and Karen. He was also very proud of the first deer he ever got here in Minnesota. Tony was liked by many and was known to be a good listener and someone you could talk to about any troubles. He died knowing peace, happiness, and family value. Tony also got a second chance to be close to his kids and grandchildren. Life was good to Tony and he enjoyed life to the fullest. He always said he fell in love with a wonderful lady and would die happy. Tony was deeply loved and will be greatly missed.

“ Tony:

Your passing is and will remain hard on many people for many reasons. As for myself, it is hard yet a blessing at the same time. I know you are in heaven with our Father and your pain and suffering is over. I know that one day I will see you again. You once made a comment to me about dying; you said that you "just wanna get this rodeo over with". Well I am writing to tell you that you finished your "rodeo" and you rode one hell of a ride! You pulled a Tuff Hedeman and rode the ride not only the required 8 seconds, but you rode beyond that time. Maybe it was in memory of Les; maybe it was because you were not going to leave this world without one tuff fight. You taught me a lot about courage and strength and for that I will forever be grateful. I don't know if I could have put on a good "poker" face the way you did even through the fear and pain of dying. I only hope that if something like that happens to me, I can do what you did with the dignity that you did it in. I want to thank your parents for bringing you into this world so that one day you would meet my sister and love her. You two brought out the best and sometimes the not so best in each other. You both loved one another unconditionally and that is the way love should be. You will be greatly missed and thought of often. I am supposed to tell you for Alexander that he is sorry that you died and he will miss you. Tony, rest in peace until we meet again.
