“ I met Arnie 25 or so years ago at the Softball fields in Little Falls. He left for the south for while and came back a year or so later he needed a place to stay. He stayed at my house for a month or so until he found a place to live. We had some great times playing darts in my upstairs. The brandy certainly makes the memories blurry. He was always the most gracious man to my Jane Meyer. When I needed help moving my daughter to an apartment when she was going to School at the U of M he didn't hesitate to let me use his truck. I looked a bit out of place driving down Lake Street in Arnie's cool truck booming Al Green CD's Arnie stopped by the garage about 2 weeks ago to say hi and seemed a bit out of sorts. He said he was going to stop over more in the future. He in a sense is doing it right now We seem to feel his presence. Arnie Wheeler was a good friend and a great person. Love to the Wheeler family.
