Barbara (Barbie) was born May 4, 1957, in Little Falls, MN to Alexia Ploof and Donald Gerjets. She spent her childhood in Denver, CO and eventually returned to Little Falls. While working in Little Falls at Paul's Bar she met Steven Gustafson (Gussy) who swept her off of her feet and was married to the love of her life December 6, 1976. Shortly after marriage they began a family and were blessed with three very loving daughters. She spent thirty years in a job she loved, working for Coborn's and Hallmark, cherishing many valued friendships and touching many lives upon her retirement in June 2013. Barbie's infectious smile and bubbly personality captured many hearts and will be deeply missed by all.

She also enjoyed many cups of coffee over conversation with friends and family. Barbie also loved taking trips to Mexico

and to Wisconsin to see the Elvis impersonators at the "Elvis Explosion". Above all she loved her grandchildren and spending every loving minute with them, even Skippy.

Barbara Gustafson is survived by her husband, Steven; step father, Marvin Waite, of Little Falls; daughters, Stephanie Gustafson, of Randall; Melissa (Benny) Waskosky, of Browerville; Michelle (Adam) Hanson, of Hancock; grandchildren, Taylor, Carter, Silas and River. Sister, Patty (Paul) Skinner, of Arvada, CO; brothers; Johnny Gerjets, of Columbus, OH, Dan Gerjets, of North Carolina, and Mike (Kathy) Gerjets, of Mount Airy, MD.

“ *It's so hard to believe that it is one year today since Barbie left us. It's unreal how our lives continue to carry on without her. I will cherish all of my memories with Barb as long as I live. Gus, girls and grandbabies, you have crossed my mind a lot this past year hoping that you are all doing well. We all know that is what Barb would want. God bless all of you and God bless Barbie. We will see her again.....*

“ So sad to see Barb passed. I don't know of a nicer person on the planet. You couldn't be around Barb and not walk away from the conversation without a smile on your face. I have many great memories playing ball with Barb (and Gus) back in the day. So sorry for your loss.

“ Barb was the nicest most sincere person one could ever have known. Gus our hearts were truly saddened when hearing of Barbs passing. We are praying and thinking of you and your family and will always remember the smiles she has put on the many she had come to know. Barb graced all of our lives. Our mother Eva also would like you to know how much she meant to Paul and her while working for them during our younger years. God's speed Barb.

“ I will always remember Barb and her infectious smile when she was managing and working at Barb's Hallmark Gift Shop - next to Coborn's store. We had moved up here to retire on the River from the Twin Cities in 2002. It became my wife's and my favorite card and gift shop because of the sense of happiness and laughter amongst everyone working in the store. They were all working together, laughing and having fun. It was a very pleasant shopping environment. Barb always had a smile for us as we checked out and was so friendly to us as she wrapped up our gifts. We always thought she owned Barb's Hallmark Store - until I asked her one day. She said No, she didn't. So honest, so much fun to be around. My Deepest Sympathy to Steve, his girls and the family. We all lost a great person, much too early in life. She will be missed. - Glenn Hietala

“ My deepest sympathies to Barbara's family. I had the pleasure to work with her when I was in high school at Coborn's and as so many people have already said. Barb was one of those people that as soon as you met her you were changed for the better. She had a way of always making people smile and if she was mad, she covered it up with a 1/2 smile that still shined. She will be greatly missed so many! Our thoughts and prayers go out to the entire family and friends of Barb.

Please know that it will be the little things that you will remember about Barbara, the quiet moments, the smiles, and the laughter. And although it may seem hard right now, it will be the memories of these little things that help to push away the pain and bring the smiles back again. “ I worked with Barb when she was at 5th Ave Coborn's and I was in high school/college. Barb was the most AWESOME person to work with. Her spunkiness and determination to get things done with fun is something I will never forget! Fifth Ave could have the reputation of some unusual customers (and probably employees for that matter!) and Barb could handle the best of them. She was able to keep "the troops in line" and I was always pumped when I would see her name on the same schedule as mine!

Even decades later whenever I stopped by St. Joe Coborn's I would be sure to hunt her down for a visit. We could pick up our friendship just like we had never been apart. She had a heart of gold and a passion for life. I will always look up to Barb and am so grateful to have had her in my life.

God Bless Barb, her family and friends. Everyone is so lucky to have Barb touch their lives. She will be missed but her memories will always keep a smile in our hearts!

“ Gus, girls and grandbabies, I worked with "Barbie" at the St. Joe
Coborn's and I will NEVER forget her and her spunk!! You were her
life! I want you all to know that she was very proud of each and
every one of you! She was always so excited to go home and see
all of you and come back and tell us story's about you. I am so sorry
for all of you and for all of us. Barb was a "one of a kind" person,
and to know her was to love her. She will never be forgotten.
