“ *To the Wimmer families my sincere sympathy on the loss of your mom Bernice. Bernice was a very special lady who shared her meal table with my mother Elizabeth Jelinski while she was at St Ottos. We had a few nice chats, and she shared who her children were and one was a classmate of mine "Mary", and I knew Judy and her husband Frank, not until today did I realize that Loni was her daughter and I have also met her in the past. Sure is a small world when you get chatting with people. Thank you for having her Mass on line, it was beautiful and your music selections were so nice. Bernice was rejoicing from heaven today. God Bless you all.*
