“ *Hi Karen. So sorry to hear about your mom. I remember she always had a smile on her face and I always enjoyed talking to her when I would see her. I would ask her how she was doing, and her reply would be, "fat & sassy".*

*Take care,

*Hi - I wish I would have known that Bernice passed away, I would have liked to stop by to give my condolences. I remember her when I was little with grandpa Tieso. Mom and dad were wondering of her whereabouts a few years back. Bernice outlived both of them -- wow!
