“ *Our sympathy to all the family. Betsy was so kind and gentle. One day when she spent a few hours with us on the farm I really saw that in her. She sat down on the lawn and all our farm kittens and cats just loved being around her. Of course, I couldn't catch one(anyway not easily). You're in our thoughts. Bob and lone Brezinka*

Our deepest sympathy to all of the family. I remember coloring a picture with her. She reminded me not to color outside the lines. She was a very sweet person. John And Lee
