Denise, Rick, Dianne and all the grandkids: Carl and I have wonderful memories of both your mom and dad from Zinran Avenue , etc. your mom was the first gal I met in the back yard. I think we both were hanging out clothes (probably baby diapers) and she came over and introduced herself. I will miss talking to her on the phone. Sorry for your loss. You have been such a close family and h the void of your mom, not being at the lake, when you go there, will pass but not all the memories. Much love Carl and Lois
