“ *To the Roache Family*

I am truly sorry for the loss of Brad which I had known him since his days on the Minneapolis Police Dept and his return to serve his community on the Reservation. Brad was on the forefront of assisting with the creation of the Band's Emergency Management Program and served faithfully on the Tribal Emergency Response Committee (TERC). Brad, I and others had the opportunity to travel to Emmitsburg Maryland to attend the FEMA Emergency Management Institute for a week long course in the beginning of the Ban's Emergency Management Program. His service to the citizens of Minneapolis and the Mille Lacs Reservation will not be forgotten
