

## Brendan Michael Kotval

September 13, 2008 - September 13, 2008

Brendan Michael Kotval, beloved son of Thomas Kotval and Janice Thoms of Little Falls, was born and passed away Saturday, September 13, 2008, in St. Cloud, Minnesota. He was perfect in every way, but he was born too early for our world. Brendan was a strong, brave boy who fought very hard to stay here with us, but in the end passed away in the loving arms of his mother.

Although his time with us was much too short, he will always be deeply missed by his parents, along with his maternal grandparents William Thoms of Little Falls and Karen Thoms of St. Cloud, and his siblings Alex, Benny, and Emma Thoms-Warzecha and Tracy and Tiffany Kotval. Brendan was welcomed to Heaven by his paternal grandparents, Rita Webb and Rod Kotval.

We take comfort in the fact that Brendan knew only love. He never had to experience sickness, hatred, war or hunger. Although his earthly life was short, his perfect little spirit has left a permanent mark on the hearts of his family members, and we will forever be changed because of him. He came into this life cradled in the love of his family, and we know he'll be watching over us from Heaven as we wait for the day when we can hold him again.

May he rest in peace and perpetual light shine upon him.
