“ Brian was a second generation student. I had both mom and dad and then their children. I remember talking with him, as a teenager, about his deep love for his mother. That doesn't happen very often. May God surround you with His love during this difficult time. Gerry Palo

“ I'm thinking of the time where Brian was the hero of the day. He had caught a fire that was just starting in Grandma and Grandpa's attached garage. Grandma was so thankful for his quick response. She loved him dearly especially when he would gobble up her cinnamon rolls!
