“ *I had the pleasure of working with Bruce while I was at CLO some years ago. He always had a smile and was quick to ask you were. He even went to my wedding! Rest in peace, Bruce!*

“ *I first met Bruce I think when he was living at the Gray home, Over the years I had quite a few contacts with Bruce as I filled in doing shifts in homes he lived in, I do not recall any negative interactions with him including a couple times encountering him in Milaca. I will miss him. John*

“ *MY BUDDY BRUCE!! It's what I would say every time I'd see him, it was an honor working with somebody so kind, so Gentle and so caring for others. I'm so happy you get to enjoy all your favorite things on repeat, and no more of us telling you it was medicine time or to clean out room. Rest easy buddy! We'll see each other again.*

“ *Bruce had the biggest most contagious smile. He had such a big heart and loved to help with whatever he could. He impacted a lot of lives with his silliness and his humor. He will definitely be missed very much. I love you buddy. Rest easy Brucey*♥
