“ Moje doživljene razstave Igorja Bahorja STANJE DUHA v Radovljici Lončarska avtorska razstava STANJE DUHA mojstra Igorja Bahorja se je zgodila v Radovljici že skoraj pred mesecem dni. A vtisi in doživljanja so v mojih mislih pustili močan pečat. In ta me dobesedno sili k pisanju. Nisem prepričana, da bom zmogla in znala svoje občutke ubesediti, je pa vsaj z vidika zahvale za vse lepo vredno poskusiti. Če imaš to srečo, da v živo gledaš mojstra Igorja Bahorja ko se med njegovimi prsti glina spreminja v izdelek, lahko doživljaš čudežno zlitje loveških rok s prvobitnim materialom. Nekaj čarobnega se v teh trenutkih dogaja okoli mojstra in čuti se, kako rad ima to, kar počne. Nečini, prefinjeni gibi rok kažejo, kako briljantno obvlada svojo obrt. A v njegovih izdelkih je vedno še nekaj več. Nekaj, kar se kaže kot lepota oblike, skladnost linij in proporcev, kar se gleda v ubogljivosti sicer muhaste gline. Kot da vse dobre sile vesolja podpirajo mojstra pri delu. Kot da Igor zmore in zna v trenutkih nastajanja čudne oblike vanjo vdahniti tudi malo stanja svojega duha. Tudi malo svojega prijaznega, toplega, nesebičnega, velikega srca. Kot njegova tečajnica sem vse to doživela. Večkrat. Zato me nekako ni presenetilo, ko je povedal, kakšno razstavo pripravlja. Že iz njegovih prvih opisov zamisli in ciljev razstave sem verjela, da se bodo uresničili, saj Igor svojim loncem podari osebnost, kako torej ne bi nosili v sebi tudi duha? Razstava je bila Dogodek! V prijaznem ambientu Magarjeve hiše v Radovljici smo se srečali z dvema umetnikoma: lončarjem Igorjem Bahorjem in glasbenikom Lodom Jakšo. Popeljala sta nas v dva svetova: v likovni in glasbeni svet. A ta dva svetova sta se po njuni zaslugi zlila v eno. Povezala ju je domoljuba, čustvenost, kreativnost, inovativnost in mojstrstvo obeh umetnikov. V kar malo mistični svetlobi malega galerijskega prostora je viselo osem posod. Osem likovnih kreacij s prečiščeno oblikovanimi odprtini, površinami in izbranimi barvami. V objemu posod pa je drsela glasba zvokov in v njih mehko poplesavala, se igrivo spreminjala in ustvarjala raznolike glasbene kreacije. Počutila sem se kot prestavljena na drug planet. Kot da sem vstopila v moj osem in uresničesom do sedaj še neodkriti svet. Moji občutki so bili zbegani, vznemirjeni, a vendar sem na tem planetu likovne in glasbene fantazije našla mir. Lahko bi ga morda opisala celo kot neko novo srečanje z menoj samo. Čarobno vznemirljivo! Vsekakor eno mojih večjih doživljenj v svetu umetnosti v zadnjem času. Glasba Loda Jakša je nas je navduševala tudi zunaj galerijskega prostora. V njej so odzvanjale še mnoge druge posode Igorja Bahorja. In ves čas se je zdelo, da se mojstra igrivo, lahko in radostno sprehajata po likovnem in glasbenem prostoru, v katerem ne poznata meja in omejitev. Ob vsem tem smo obiskovalci razstave lahko videli v pleterski kartuziji odlično posnet film in izvedeli veliko o črtimanicah. In če da ne pozabim omeniti če po dobri slovenski navadi je bilo poskrbljeno tudi za kulinarčne užitke. Res, bil je to v vseh pogledih bogat večer! Poln poučnega, lepega, dobrega, srčnega in začinjenega s tisto prvobitno iskrenostjo in skromnostjo, ki naredi stvari, ljudi in dogodke veličastne. Hvala, Igor! Hvala, Lodo! “ I just wanted to take a minute to let all of you know how sorry I am for your loss. I had the great pleasure of getting to know Bryce when I was one of his job coaches through PA. He was always the joker and could make anyone laugh. I loved his juvenile attitude and bright smile!
He was a great man and I am pleased to have had him be a part of my life.##imported-begin##Stacy Ganz##imported-end##
