“ *My memories of Cally were from his early years when I lived in Eldridge.
He was a very sweet and loving child, although sometimes mischievous like most small boys. I only wish my children, your cousins, could have known you better. We are all very sad to lose you, but know you are with your Lord Jesus.*

*Love,

“ We knew Cal for less than a year, but it seemed like he was always a friend. He proved to be a gifted contractor who always gave 110%.

His craftsmanship was exceptional.

This is a terrible loss to our community and he will be missed by many. He touched our lives for the short time we worked with him.

We will always remember Cal and just wish we could have given him a hug and told him it would be ok and that he was important and loved.##imported-begin##John and Sue Wiik##imported-end##
