“ I always really liked Calvin as he was growing up. As a neighbor as he grew older he liked to drive my 4430 John Deere. They only had a Case 930 at that time. After I bought a farm at Canby he would come and plow for me in the fall. He would stay for a week at a time. He liked our big fields and no rocks. I think he would have worked for nothing just to drive my 4430 but I always paid him by the hr. He was always glad to see me whenever I was back at Swanville for something. I have many good memories of Calvin and he will be missed. Marvin Goplen
