“ *Carol was such a neat gal. I always enjoyed my little visits with her. We have known each other since 1964 - and had many good times together during the years. Spent a lot of summers at the house, in the pool and just having fun with her and all our friends. I will truly miss her smiling face and always upbeat attitude - she always made me smile. My deepest sympathies to all of her family.##imported-begin##Patti (Ritchie) Hammerbeck##imported-end##*

“ Katie and Tina,

My thoughts and prayers are with you both at this very sad time. Your mom was a great lady. I remember when your parents got married. I thought your mom was so cool. She was a Free spirit and she was a talented artist. I believe I was around 13 and I stayed with your parents for a week or two in the summer, I babysat you Tina. I worked as a waitress in the cafe that they owned together The Presidents Cafe. That was such a fun time. Your mom was good to me. Your mom had beautiful smile. She was a "People person". I believe she could bring a smile to everyones face. She will be remembered by all who came in contact with her.
