“ If there was a word that I would use to describe Carol, it would be patience. Her patience carried an everlasting love, brought guidance as a light in times of trouble, and a strength to keep going even through rough times. I pray for the family to get through such a loss, yet rejoice for the win in heaven. Lana

“ I met Carol through Katie and George Tribbett. George's dad was married to my mom. Over the years we talked quite a bit on Facebook, got to know each other and loved that she shared her life of love and kindness with us. My favorite memory of Carol is that I had painted a picture and sent it to her. In return, she and Terry Tribbett made me a beautiful quilt. That kind gesture filled my heart with love. I'll never forget that, and we are so proud to have been part of her family. We love you all so much. Sunny Kessel and Mary Drew.

“ Carol was a very memorable person with a heart of gold. She will truly be missed. I worked with her at People's Bank and she made everyday special with her laughter and smile and fabulous stories about her family and Denny.
Lots of love and gentle hugs to your family.
