I loved his smile when he would gets those visits from his siblings and other family members! I could SEE the connection that he had with all of you ~ especially with Junior and Dianne and Karen!! It was joy to me to witness the closeness of the family. I will certainly miss you, Chuck! As I sit here and type my memorial to you, I am picturing you as bat boy up there in heaven! GO TWINS!!! “ I extend my deepest sympathies to the Schneider family. Chuckie was a great person! I loved his smile and enthusiasm for life. I saw this every day as his teacher at Lincoln School in Little Falls in 1974 - 1975. It was my desire to start a Special Olympics Program in Little Falls. We did the year I had Chuckie in my classroom. Our team made it to the state competition that year. Chuckie did great! He really knew how to cheer on his teammates as they also cheered him on. What a great memory that was. Chuckie will indeed be missed.

“ I am so very sorry to hear of your loss. I had the honor to work with Chuck prior to his retirement. He always made me smile. He always remembered everyone on their birthday, I still have the card he made me. I can see him with an apple and a Pepsi. He was a dear person and you couldn't help but caught up in his infectious smile and his quirky sense of humor. I will always remember him and his smile. Rest in Peace Chuck.
