“ *I have known Chuck for several years through my sister, Deb Segebart. But also as an advocate for Morrison County. Often I would help Chuck with forms, etc. and just sorting through stuff. He seemed to always enjoy the visit and a friendly hello. He was very dedicated to his AA and his recovery, that I know. I was proud to know him and proud to call him a friend.##imported-begin##Sharon Notch##imported-end##*
