“ When I was 16 and working for Claudie, he shared this down home wisdom with me:

*I won't tell you not spend money foolishly; You'll do that!
I won't tell you not to go out and drink; You'll probably do that!
I won't tell you not to chase girls. You'll do that too!*

Just don't do all these at the same time!!

You will be missed.
