“ Dave remembers when he was a little boy staying over at their house, waking up to the sound of a pressure cooker going for a Sunday meal! Carter remembers trading Hot Wheels cars, a Frosted Flakes for a CAT Construction when he was around the age of 6. Chrissy will always remember her trips to Grand Casino with grandpa and though Annika may not have many old memories from spending time with grandpa, she will always cherish getting to know him these past three years when traveling to Minnesota. Plus, although she may not remember it, she got to sit on grandpa's lap for the Fietek Family Reunion picture!

“ *What a man, Veteran, Father, Husband, friend. You will dearly be missed by many and never forgotten. Your journey on earth is over but your new adventure with Mary has just begun. I can only imagine the dancing you 2 will now be doing. It hurts you are gone but I know you have waited a long time for the pain to end and finally you can be without all the pain and now just have that warm smile as you look down on all us left behind. I will never forget the fun times we had like when we went fishing on the pontoon or the pit stops we routinely made. You made big adjustments in your life and every one made you that much more a special person. I will miss your cooking, long chats, and the years of knowledge you freely shared. Thank you for letting me be a part of your life and allowing me to marry your daughter (my sole mate) she will forever remind me of all you meant to both of us. RIP, EOW 17 Feb 2015 0725.*
