“ *Tootie was such a good friend and neighbor to mom/ grandma Ida. There are many fond memories and we send our sympathies to the family. We would like to think that Tootie and Ida are laughing and having fun once again. Elmer Gerads and family*

I worked with tootie at musingwear in little falls for many years. She was a very good friend of mine and so was her sister Budge. We shared many drinks together. We would visit her at her house in flensburg and would always have to visit the bar too. It was always an enjoyable time . Monica Kapsner

“ To all of Tootie's Family, my sincere sympathy on your loss. It was just the other day I was remembering all the good times we had at work. There were times when there was only one car in my household and she would swing by to pick me up. She was a fun lady, she had a lot of heart aches but she seemed to manage just fine. She was a very hard worker. I was proud to have known her. May she rest in peace and may the angels take her to paradise. God Bless the families.
