“ As time goes by we find it harder and harder to believe you are really gone. We keep expecting to drive up and see you sitting in the garage shaking dice with Shelby, and fussing about all the quarters she licked you out of that day. We love you so much and want you to know that our family has a huge hole in it without you here. Of course, we know you are with us in spirit and we will all be together again some day. Until that time, watch over us and for now, help us to find peace in knowing that the Lord took you when he knew the time was right. He put an end to all your suffering, and although we suffer now, we know you are at peace, pain free, and in a much better place with Him.##imported-begin##Gordy and Cathy Brausen##imported-end##

“ Uncle Cliff,

I prayed the rosary the other night that you would rest in peace without linger. The good Lord listened to my prayer. I hope that Auntie Shelby, Pixie, Gordy and families have a sense of calm and serenity in knowing that you are in a better place waiting for us all to join you. Keep the beer cold until we get there and say hi to mine up there. You are a special guy. You were one of Dorsey's favorites. You will be missed.

Love,

I can't believe you're gone, Life won't be the same without you! There won't be a day that goes by that I will not think of you and smile. You were a Wonderful Father and a Great Friend who was always there when I needed someone. I know you are in a much better place and you are very very happy now. I Love you sooo much and I know someday we'll all be together again! Just promise me that every once in a while you'll give me a little sign that you are watching over me.
