“ Cody - I Love You! - It is hard to find the right words to explain how I feel. I want to thank you for being a part of my life, for all the gifts you gave to me during your life on earth and the gifts you have given me since moving on with Jesus. I will forever miss your smile but I will find strength in knowing that I will see you again. I will hold your Mom and Britney until you can hold them again as I know that you are watching over us all. I will miss you everyday but I know that you are at peace with Jesus. “ *My hope for the world would be for everyone to have a Cody in their
life. He was an incredible kid. He brought so much love into our
lives. He was a kind and forgiving soul. He worked magic when he
came into this world and he is working magic as he leaves it. He
has taught me how precious life is and to savor every moment. He
has taught me that life is too short to hang on to grudges and to be
forgiving. He had a wonderful and mischeivous smile. He was his
Grandpa's best friend. His mother is my sister and I watch her in
awe. Her strength and love is incredible. I don't understand why
Cody left us so soon but it is reassuring to know I have someone
very special to watch over my family. He will be busy for now he is
an angel to many. I love you Cody! I love you Sharon! and I love you
Britney.###imported-begin###Rhonda###imported-end###*

“ Sharon & Britney,
This is the hardest thing that I have had to go through in my life. You have and always and will continue to be in my prayers. Loosing a child is one of the worst things that can happen to a parent. This was so hard for me to watch you go through something so painful like this. You were a very good mother to Cody and he loves you very much. Remember the last words you heard from Cody "Love You Mom". Love, Brother Dan.##imported-begin##Uncle Dan, Brother Dan##imported-end##
