“ Dan wil always be the father I never had. We shared years together outdoors working on cars, welding, tractors, etc. I learned so much knowledge from you that I still use often. I remember working several hours outdoors together, and I often looked forward to those words, "would you like some ice tea?". We would go in the house and talk shop as we drink our tea. Will always love you Dan! Thank you for everything you taught me.

“ Tears streamed down my face when I saw you that way. I love you grandpa, I will love you every day.
As my tears ran down my face, i knew you'd soon be in a happier place. I promise my love will follow you wherever you go. I miss you grandpa 🥺💔 You'll will always be my BESTFRIEND.
