“ *I am so very sorry to hear of Darrel's passing. May God hold you in the palm of his hand as you grieve. Many childhood memories and when we became teenagers he was the first to drive.....always scared me when he would take his hands off the wheel to "see how far he could go" before having to put his hands back on the wheel or run in the ditch.*

A great friend that i met in Fairbanks Alaska, while we both were in the Army. Although we were both from Little Falls,mn we met in a bathroom in Alaska. We hit it off immedeatly and hung out together the whole time there. Darrel was a fun,energenic,and loving person who loved his wife and children.Darrel could always make me laugh and enjoy his company and i will miss him. Darrel will be missed and God bless his soul.
