Darwin and Darrell, I'm so very sorry for your loss. I'm so sorry I couldn't make it to the funeral. I know Dad would have gone and I try to do what he would have. But, I have been really sick! Thinking of all of you.

“ *I didn't know Darrell long but I happened to have the pleasure of taking care of him while he was hospital. I can say with a full smile on my face that Darrell was such a light on our unit. Even when he could have been so frustrated or angry; he always has a smile, a joke or sarcastic remark to make us all laugh. Himself included ! I am so thankful to have known Darrell and am very comforted to know he is in a far better place and is no longer suffering. Brenda, I am so sorry for your loss. We loved seeing you everyday too! Take care and God bless* 💜

“ Oh the memories of Darrell. The fun we had. The time Dave and I had our first New Year's Eve party and he kept spiking my drink before the party. Oh my. The stories he would tell. Great times. Will miss him. RIP.
