“ Sylvia and all of Dave's family, I am so so sorry for your loss. What a special man Dave was! I had the pleasure of working with Dave for 40 years and watching his superior construction skills. What a man of many talents! He was such a leader with his crews and employees. His talent of driving truck and operating equipment was a skill that not many have. I always enjoyed our visits when we would move our crushers, as Dave always had a smile and a story to share. Rest in Peace Dave! You will be missed!!
