“ I have many memories growing up with my brother Dave, as kids we played together, fought like siblings, but usually we could be found at Pillsbury lake fishing or swimming. We hunted together many, many times, we trapped together for a lot of years, David actually taught me to trap, he would spend hours sitting in a fish house even after I gave up, hunting was fun together as we both learned how together. The many times at Island Lake were the best ever. I will miss him so much, I have so many good memories to cherish. He was a One of a Kind. Love you Little Brother!!!!
