“ *Dear Mallak family: Sheila, Gloria, Joe, and Mary: Although we regretfully did not keep in touch over the years, you all have not been forgotten. I still have the memories of Uncle Henry bringing you to our place to visit Aunt Helen and Uncle Leonard. What a fine family David has! Because of sickness and distance, none of us were able to attend the funeral. May God's love comfort you in your time of grief and sorrow. After a half century confined to a wheelchair, his soul is free to "walk" among all those waiting for him. He will always be alive with the memories you have of him. God Bless.*

“ My heart and love goes out to all of you today, tomorrow and always!! Dave was a HUGE part of my childhood and today all those memories flood back to me. Whether it was Dave and my Dad giving Brandon and I the tools and nails to build Brook doll furniture out of scrap wood (yeah sorry that didn't work out too good - a bit wobbly) or him pulling out that handy knife he carried to take out the stinger of a bee from my hand while I screamed bloody murder. He was always calm and relaxed in the most stressful situations. Dave made being tied to a wheelchair like a walk in the park and made me never look at the wheels but look at the person. Thanks for all the trips to the lake and opening your heart to let the little neighbor kid into your family, even in the most precious times, like going to pick up two little bundles of joy from the airport (Crystal & Grant). No matter how much time passes I have never forgotten, anything!! Love you ALL ~Tara Bobick Peterschick
