*I remember coming out to the farm as a kid and spending time with Debbie. I always had a great time even though I was shy at first. Debbie always made me feel welcome. After not seeing her for years and seeing her again at Wal-Mar, she remembered me and started talk to me right. I really enjoyed seeing her. I wish we could have spent more time together. I am really sorry for your loss. Debbie nwillbe missed. Sending prayers to the whole family.*
