Her mother died during childbirth when she was only 6 years old, but she was blessed with a younger sister, Caroline. Deloras' father remarried and she had seven new step-brothers and sisters, as well as 2 half sisters added to the family, while living on a farm outside of Lucan. enjoyed fishing with her husband and friends, as well as traveling, spending winters in Arizona. She lost Pete in 2000 and eventually moved up to Randall, MN to live with her daughter, Carol.
