“ *Duane, Colleen, Dennis ,Beth, Steve ,Tom, Grace & Olivia I remember a few years ago Delores knocked on my door and was looking for her friend who lived right behind me in the development. I led her to my living room window to show her the house her friend lived in. I knew she looked familiar but didn't know who she was until a little girl whom I did daycare for said " Hi Grandma!" It was Grace, with a big smile on her face. Delores hugged her granddaughter with so much surprise and said to me "Your the one who watches Steves girls!" It was so nice to meet her and such a sweet moment with her grandkids. My deepest sympathy to all of you for the loss of a wonderful lady.*
