“ I am so sorry for the loss of your dear Dennis. I hope knowing that there is hope of being reunited with our lost ones again will bring you a measure of comfort. God's word promises us that one day soon the paradise earth that was lost to us by our first human parents will be restored. Then those sleeping in death will be brought back in perfect health. Death will be no more. As Revelation 21:4 assures us..” And he (God) will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away.” If you would like to know more about this paradise earth and how you too can be apart of it please go to JW.org. Again I am so very sorry for your loss.
