“ Our sincere sympathy goes out to Roger, Darla and Diane's family. I've known Diane for many years through church. She had a compassionate heart for every person, even those she didn't know personally and she was one of the most devoted prayer warriors I've known and has prayed for me and my family many times. She wanted everyone to have a personal relationship with the Lord and for none to perish without knowing Him! I have never heard Diane say one bad thing about others, she lived her life for the Lord and it shone through her. She is home in Heaven, where she longed to be, rejoined with family members and singing praises to the Father she loved so dearly.

“ Diane has always been a woman of great faith and talented playing the harpsichord and singing lively gospel songs long remembered. She did birthday phone calls with gospel verses to my brother and I for several years after learning our mom was passing away from cancer. So kind and loving. Praying for your family.... God's peace be with you. -April
