“ *I have lots of memories and had fun times with Uncle Donnie. I was not able to spend alot of time with him since I live in Oregon but have always loved him very much. I will hold on to those good memories and pray for the family to be blessed with peace.##imported-begin##Dan Kay##imported-end##*

“ Because of the different paths our lives took I didn't know Uncle Donny the last twenty years or so, but will always remember him from our younger years. He could be counted on for laughs and always had a few minutes to spare to say hi to us kids. I will always remember him teasing us or mom, his sister, and the laughs that it created. Thanks for the pictures of his later years. My thoughts are with you all. Rest in Peace, Uncle Donny.##imported-begin##Barb Garner (Bobbie)##imported-end##
