“ *We have known the Lapos family for many years and have had a lot of fun times together. What a terrible week for you all. May Grandma Daisy and Donnie rest in peace. They are probably playing 6 5 4 already.*

“ I want to extend my synpathy to all of the Lapos family. I remember my mom and dad hiring Donnie to milk cows and help load and unload hay. They always that when you asked Donnie to do something, it was done well and that he was a "worker." His work here on earth is over and now he is at peace. May you, his family, feel God's ever present strength and love throughout the days ahead.##imported-begin##sheila gardner##imported-end##
