Donna was such a lovely soul. She is now free from this horrible disease, called Alzheimer's. AND rejoined with her little girl.. she always had a welcoming smile when I saw her at Marshiks. God bless your family. I know God welcomed her home as she left this earth. Her fight is DONE

Terri, my heart goes out to you and your Dad. I know you were all so close and shared so much love together. Your Mom was ALWAYS so kind and caring, always thinking of others and smiling. She was a very special person who touched many lives, including mine. Hold on to those memories as they bring you comfort, strength, and peace in the days ahead, and know one day you we will all be together again. Sending love, hugs, and prayers now and always...

My fondest memory of Donna was the day of her wedding. She was such a beautiful bride and so much in love with her Ronnie. We came back from the wedding ceremony and Donna got dressed in her blue jeans and went to work on the farm. After the chores were done we all went back to enjoy the rest of the celebration. Her and Ronnie just floated on the dance floor. I've never seen anyone dance more beautifully. I would tell her that and she would laugh. What a nice laugh she had. I was so happy she was my cousin. What a loving and giving person she was. She will always live in my heart.

“ Terry & husband Steve, Tyler and forgot what the other little ones name is I have forgotten. But after watching the *Tribute Video* I realize that Terry you are the sweet gal I worked with a number of yrs ago. You look a lot like your mother and I am so very sorry that your going through this pain....it is not easy...passing of time is the only thing that helps....and you will have the memories in your heart and pics around showing the love you all shared as family. My prayers and thoughts are with you as you journey through your loss. God Bless.
