“ Jeri and Larry,

I send my condolences to you with the loss of your mother. I have some very fond memories of Dorothy and will always remember her. I will never forget, each time I would go into the grocery store Dorothy would be there; first to welcome me in and then to give me heck about the length of my hair. Dorothy would always insist that I needed my hair shorter so I would be a "better looking young man". As I aged and my ability to grow hair diminished, I began to shave my hair very short. I saw Dorothy last November when I was home for the deer season and had to show her that I continue to keep my hair very short. Every time I return home, it seems I would somehow see Dorothy. I will miss her smile and consistent comment about having a good hair cut.

My thoughts and prayers will be with you!
