“ *Stub was a great neighbor. I bought Alan's former home from John Doerfer a local Doctor serving Onamia at that time. At that time Stub was a County Commissioner and I was a County Employee. Just after I bought the home we met in his yard, Stub say's "So, you bought Doc's home, we must be paying you too much! I think I'll call you Doc" Every time He'd see me he'd say Hey Doc! Stub was a man who was a good public servant. He championed the cause of the little guy. He was advocating for a person in his district with the Director of Family Service. When he was unsuccessful in acheiving his goal, he gave them the nickname " The Bummers in the Basement". Rest well Stub. You'll be missed!*

“ *Stub was like a second father to me growing up in Onamia. I spent a lot of time with Alan at the Strelows household when I was a kid. I had a lot of fun learning and spending time around their house. Stub helped me get my first shotgun. Those kind of memories last a life time. and I will always be grateful for the experience and time that I spent with him and the Strelows. Rest in peace and thank you for the memories.*
