“ *To the grandpa who made people to stand in the corner because they're naughty, who always made sure he never missed a twins game, who always lost on EVERY scratcher ever purchased and we STILL continued to buy them for him, who loved his wife with everything he had, your family loves you and you will truly be missed. I love you grandpa... Can't wait to see you and grandma again. Love always Brittany.##imported-begin##Brittany Voth (grand daughter)##imported-end##*

“ I am so sorry to have never met Ed. My father Paul Szczublewski was his cousin. My grandfather was Josephine's brother Mike. I have started a genealogy search to locate family and plan a trip to Minnesota this spring/summer. The family has my deepest sympathy.
