“ My deepest sympathy to your family. I am the daughter of Lester R. Lambert, Granddaughter of Ann (Fran's Sister). My father also recently died while on a hunting trip to Colorado - October 15, 2007. He was 73 years old. You will have difficult days ahead and I will remember you and your family in my prayers. “ Dear Lewandoski Family,
I met your mom in Mexico when I was there with my mom getting treatment. She was so upbeat and positive!
I am so sorry to get news of Betty's passing. She was such an inspiration of strength and hope for my mom and me when we were in Mexico. Our thoughts and prayers are with you!##imported-begin##Betsie Aman##imported-end##

“ Have memories of years past of cousin Betty Ann, but lost track as the many years went by so quickly, therefore not knowing her husband Micky or her children. I only knew her as Betty Ann, so will address my comments as such to her immediate family, her mother (my Auntie Fran), and sisters. I believe her suffering on this earth is over, and those that say she is in a better place; you need to hang onto that. Time will heal they say? My thoughts are with all of Betty Ann's immediate family, the Eller's and her many other relatives and friends.##imported-begin##Georgie Harrington Johnson##imported-end##
