“ *Peace and best wishes to the family and friends of Ellen.*

During the past months, Ellen lived next door to my mother, Dorothy Pierzina (d. 2 December 2019), but they actually had become friends while both were residents of Bridgeway Estates. Mom spoke highly of her good neighbor, and I saw them exchange a warm handshake or wave whenever they were near one another. A few times while I was visiting my mom near meal time, I was happy to push the wheelchairs of both ladies to the dining room.

Ellen was a warm, gracious, and thoughtful neighbor. May she rest in peace!
