“ Holly, your mom must have been a very special person to be able to raise a wonderful person like you. Your mom is now with GOD without any pain or suffering. Remember you will one day see your mom again in Heaven - but this time for Eternity. But for now, I am praying for your peace and understanding as you go through this time. You are very blessed to have Bram by your side. Just think - your mom is now in the presence of the Lord!###imported-begin##Joe Thomas###imported-end##
