“ Dear family and friends of Enola,

I was deeply saddened to hear about the death of Aunt Enola. I know how difficult this must be for you and how much you will miss her. You are in my thoughts.

Enola was such a kind soul. I have fond memories of her from visits during my childhood.

The strength of her family will certainly be of solace during this time of bereavement. Celebrate her life.

Peace to you and your families during this time and always,

Sincerely,

“ We are so sorry to hear about your mom's passing away. We do know as Christians that she is now with the Lord, but she will be forever missed by us. Your mom meant so much to me...as a second mom, you know! I needed her influence on my life during those HS and college years. Her warm conversations (and reprimands) were timely and needed. I could sit and talk with her in the kitchen and never felt threatened that what I had to say wasn't important to her. I loved your mom.

God bless all of you family members. You are all like brothers and sisters to me.

Love and prayers,
