“ *Dad,
I don't even know where to begin. I am so blessed to have had you for my dad. You never missed a softball game or a Sat of bowling. You might have been hard on me when you were watching, but as I grew I knew it was only because you wanted me to be the best. You taught me so many wonderful things. From fishing to cards to playing softball, I also learned it is never polite to turn down a beer. You had such a kind heart and would do anything for anyone. I will never meet a more honest man. I love you dad and I will miss you soooo much. I know you are in a better place. You deserve to be set free. I know you are having a wonderful time. Don't worry about mom, she will be taken care of. I know you were worried. Until we meet again daddy. I love you!!!!

“ Ernie, (Dad) it's been a great journey for the pass 8 years, I'm very fortunate to have met you. The fun times we had up at the rooster, for the meat raffles and pull tabs. The times playing cards at the house and YES I'm still learning the card games. It was all ways nice to see you at our house in the fall for the booya party's having some beers and throwing washers. I'll never forget the first time we met the way you welcome me into the family. It was PRICELESS. I know that you're in a better place with your family having fun. We will miss you deeply, We love you forever-*TED*##imported-begin##*Ted DeGraw*##imported-end##
