

## Eunice Hoehn

June 21, 1922 - June 16, 2010

Eunice was born June 21, 1922 in Santiago, Minnesota to the late Gunder and Gertrude (Oslin) Ness. She grew up near Princeton, MN and graduated from Princeton High School. She then earned a teaching certificate and taught in a rural country school. Eunice was united in marriage to First Lt. Joseph H. Hoehn on June 20, 1943 at Fort Smith, AR. After Joseph was discharged from the US Army in 1945, the couple returned to Princeton, MN, living there for three years. They also resided in Foley, MN, and Monticello, MN and since 1953, have lived in Little Falls, MN. While raising her family, Eunice was a teachers aide for special education at Lincoln Elementary School in Little Falls. She retired in 1984 from Lincoln School. The couple enjoyed their retirement years together by traveling and spending winters in Texas. Eunice enjoyed gardening around her home on the Mississippi river, planting and caring for many varieties of flowers, especially peonies and iris's. She also enjoyed drawing and painting in her quiet moments. Eunice was always very active in the church she attended. While in Monticello, MN she was a Sunday School teacher and Sunday School Superintendent. She also served as President of the ladies for the MN Baptist Association. More recently as a member of the Little Falls Alliance Church, she served as a church hostess, taught Sunday School, served as a Deaconess and was President of the Women's Missionary Prayer Fellowship. In every area of her life, Eunice lived the life of Christ...love, joy, peace, patience, goodness, faithfulness, gentleness and self control, Gal. 5:22. Her faith in the Lord sustained her

throughout life. Eunice described her life in one word "Blessed".

Eunice G. Hoehn is survived by her loving husband of 67 years, Joseph H. Hoehn; son, Steve (Julie ) Hoehn of Little Falls, MN; daughters, Donelle (Dan) Johnston of Scandia, MN; Kathleen (Rev. Ron) Brewer of Mesa, AZ; and Gwyn (Steve) Shelley of Little Falls, MN; 10 grandchildren and 11 great grandchildren.

Eunice G. Hoehn was preceded in death by her parents and a brother, Chester Ness.

“ *Eunice was such a positive influence in our lives while we live in Little Falls and served at First Baptist Church from 1967-1977. She was so willing to serve in so many different areas at church - teaching Sunday School and DVBS, serving as a Deaconness, leading in the Ladies Fellowship, calling on shutins and visitors to the church. We are so grateful for having known her and worked with her those ten years.*

*Vance Havner wrote a book, "Though I Walk Through the Valley", as he watched his wife die. He said that we are incorrect to say "I lost my loved one". We use "lost" when we do not know where something or someone is. We know where believers in Christ are after they die - in heaven. There will be a reunion someday!*

*We have such fond memories of the Hoehn family!##imported-begin##Donn & Shirley Kittle##imported-end##*

“ I too have some good memories of grandma. I remember as little girls running in the sprinklers in the front yard of her house. She didn't like us doing that because she didn't want people to see us in our bikinis. So she made us go to the back yard. We use to always have peaches and cream as part of our breakfast. Yum that was sooo good. Still love peaches and cream to this day. I also remember helping her get Thanksgiving dinner together and setting the table. She would always have the black olives out first and we would always sneak them before dinner. We would have one for each finger. I will miss her dearly but know that she is in a much better place and sitting at the right hand of Jesus. I love you and miss you Grandma!###imported-begin###Karin Carlson###imported-end##

“ Sandi, I remember you telling me about mom's comment to Doug...still makes me smile...your comments about her being the best hostess..I am confident that after she met her "Savior" and reunited with family and friends, she is very busy about planning a huge celebration for August 20th...she will have the best seats in the house...front and center. The dearest to me...I will miss her more than I can put into words.###imported-begin###Gwyn Shelley###imported-end##

“ I have so many fond memories of Grandma and will miss her a lot. One of my favorites, we were laughing about today, is something she said to my husband Doug when we were first married. "Well, Doug you're a little different but we're sure glad you're in the family". It endeared her to him immediately.

*I also remember Grandma always having cookies in her freezer waiting for us whenever we came to visit. It was like she magically made them appear everytime. She made it look so easy to be a hostess. I loved that about her. About hostessing, I remember Grandpa always telling her to sit down because everyone else would be eating except her. She would just laugh when he said that She was constantly serving.*

*There are so many more memories...I'm looking forward to sharing them together at her funeral.##imported-begin##Sandi Erickson##imported-end##*
